

Uniform Changes for September 2021-2022

Important notes

The school recognises the value of having a uniform for the following reasons:

- **Safety:** If all the students in our school wear a clearly recognisable uniform it is easy to identify strangers.
- **Preparation for the future:** Many jobs require staff to wear a uniform and even if there isn't a uniform there is often a dress code. Uniform helps children to get used to dressing to a prescribed standard. It also helps them know the difference between formal and informal dress.
- **Value for money:** Uniform is a cheaper alternative to children having to wear their own clothes every day to school.
- **Pride:** Uniform instils pride and a sense of belonging to a wider community.
- **Relieves students from fashion 'stress':** A school uniform eliminates the stress placed on students to purchase and wear expensive, fashionable items.
- **Ready to work:** Putting on the uniform is a signal you are going to work hard and learn.
- **Raising aspirations:** Pupils tell us that if they look 'smart', then they will have more self-belief and achieve more. "Look Smart, Think Smart"

The Oaktree Principal (Mrs. McGuigan) will:

Ensure that the requirements are published to parents and staff in good timing.

Ensure that there is value for money and liaise with the vendor regularly.

Listen to the views of all stakeholders in regards to quality.

Understand that many children are culturally different and will consult with individual families if additional requirements are requested.

Determine the actions to be taken for breaches of the uniform code.— ie: non- readmittance the following year.

The Oaktree Parents (You) will:

Ensure students have the correct uniform and adhere to the September 2021/2022 uniform standards.

The Oaktree Pupils (Our Children) will:

Ensure minimum uniform requirements are kept to at all times
